A message from your Coordinator

Children have had an amazing 3 weeks back at OSHC, all showing great engagement and enthusiasm in planned and child-initiated experiences.

Children have enjoyed physical play, cricket, tennis, skipping, group games, Octopus, and dodge ball, with children taking increasing responsibility for their own health and physical well-being.

Other experiences children have enjoyed, have been the Karaoke Talent Contest, engineering and construction, arts & crafts, investigating and exploring Magnets, building their own Magnet Maze.

Children commenced planning for their own OSHC fruit and vegetable garden, learning about the environment, sustainability, and healthy eating, supporting children to become socially responsible and show respect for the environment.

We look forward to planning more exciting experiences for children to confidently explore and engage with social and physical environments through relationships and play.

*Upcoming Event: Handball Competition – Week 7

Julie and Renee
